

How to Become a MASA Member

To become a member of the Marine Aquarium Societies of Australia Incorporated, you simply become a member of one of the six local societies (MASAOG, MASQ, MASRQ, MASS, MASOV, and MASWA). Being a member any of those societies then then gives you membership of MASA.

By becoming a member of MASA, you gain access to additional information and resources, plus the ability to obtain discounts from marine aquaria related businesses (MASA Partners).

To join the appropriate local marine aquarium society for you, please refer to their websites for more information (refer to the appropriate link on the left hand side of this webpage).
