

Businesses & MASA: Registration Process

In order to use any service that MASA provides including participating on the RTAW forums a business is required to Register using our online Business Registration Form.

Registration is required to take place annually on the anniversary of the end of the quarter the business originally registered. Note that the annual fee associated with registration is currently being waived for all businesses.

As part of registration a business must agree to our Terms and Conditions of use. The use of any service including the RTAW Forums without registration is considered to be an implied acceptance of the Terms and Conditions.
