

Businesses & MASA: Sponsorship Program

MASA runs a number of initiatives that provide the opportunity for a business to participate through some form of sponsorship. Sponsorship is normally done through the provision of prizes although other options may be organised on a case by case basis.

Sponsors will be acknowledged in all promotional material associated with the activity including banner advertising when that tool is utilised. Acknowledgement of sponsorship does not include naming rights as this is not an option that is available.

In addition to activities run by MASA many of the individual member societies that make up MASA also run activities or have events where some kind of sponsorship may be available.

A full listing of available activities is located in the Sponsorship Schedule.
