

Businesses & MASA: Introduction

MASA has a number of stated goals as set out in our Mission and Purpose statements which are fully documented in the About Us section of RTAW.

It is our belief that by engaging with the business community we stand a much stronger chance of achieving these goals.

To this end MASA has developed a comprehensive package of services that we offer to the business community.

These services include listings in our Australia wide Business Directory, advertising on our website, partnership & sponsorship programs and participation in our world renowned RTAW forums.

Further details on all of the above and more can be found in the relevant sections below.
