

Businesses & MASA: Step by Step Overview

Following are some simple step by step instructions to getting involved with MASA.

Step 1. Businesses need to Register to interact with MASA at any level.

- Ensure you have a valid and up to date entry in the RTAW Business Directory .
- Review our Terms & Conditions before registering.
- To register complete the online Business Registration Form.
- Read more about the Registration Process here.

Step 2. Once you have registered, decide what level of involvement you would like.

- Read all about the different types of classifications here.
- Read up on our Partnership Program here.

Step 3. Determine which services you would like to take advantage of.

- See our Table of Services for a complete list of services offered.
- Contact our Partnership Coordinator to sign up for any listed service.
- Make payment for any services that attract a fee. See here for more information on payment options.

For further information please see our FAQ section or the complete index of information regarding Business and MASA.
